LEADERSHIP DEVELOPMENT AND COACHING

TRAINING COURSES

LEADERSHIP FOUNDATIONS

Develop emerging leader's capabilities, knowledge, and behaviors to be more effective in their current role. Learn how to create greater influence and impact using leadership styles, team building and social EQ.

PROFESSIONAL BRANDING

Create a powerful personal branding vision and message for your life and career. Align your core values with your career goals, by defining what differentiates you from the other individuals around you, creating increased credibility and influence.

CONFLICT MANAGEMENT

Learn crucial conflict management skills to understand and resolve conflict successfully while maintaining relationships and building a more positive workplace. Learn skills to understand and resolve conflict successfully while maintaining relationships and building a more positive workplace.

SPEAK WITH CONFIDENCE

Every opportunity you have to get in front of a room and speak is an opportunity to deliver a memorable message. Increase your confidence by learning key public speaking strategies you can implement every day in every speaking situation.

MASTERING YOUR MESSAGE

Uncover the secrets to creating a powerful message your audience will remember. Participants learn how to create opening statements that capture an audience's attention, deliver a message that encourages engagement and leave their listeners with a clear course of action when they are finished.

PRIORITY MANAGEMENT

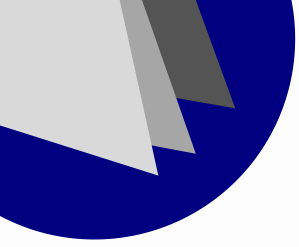

This highly interactive session creates a process of strategies and techniques to develop more efficient, productive work habits. Participants learn specific tools to prioritize, organize, structure and streamline their daily tasks.
